“And he said unto them, *Go ye into the entire world, and preach the gospel to every creature*”

(Mark 16:15)

I Hope you are well, and our Lord bless your souls.

This past November was a very busy month, and I am so rejoice because I love to be very busy in the Kingdom of God. So, let me tell you, how was my month.

The Lord's work in Monterrey (Edification):

During this past month, I was teaching to the church every Sunday morning about **“Holy People”**. I was teaching 4 lessons, every one of the New Testament. I was teaching about the live of some servant of God that their live are the example of holy people. They are: Joseph, Mary, Zacharias, Elizabet, Simeon, Ana, and John the Baptist.

Also, I have been teaching to the men, two times of every month, classes about **“The leadership in the local church, men of the church”** I want to teach to the men of this church about our responsibility of men. I pray and hope, we can to understand our role, and we can to work together to establish someday elders in this church. One of the biggest problems between the Latin churches has been that the men of the churches have not understood their role, and for this reason we do not see elders between churches.

Also, I have been working in 2 books of study for Christians about the Gospel of John and the letter of Ephesians. Soon I will be teaching both books to the local church. I will begin the study of the book of John every Thursday.

Also, I have been having personal bible class with some families of the church every day of the week; they are new Christians and some Christians that returned to the Lord. We have been studying about the life of Peter. I want to teach them about the life of Peter before and after become a disciple of Christ. These families are: Sergio and his wife Marlen Valadez, Ana Carrillo and her daughters Paola and Danny, Irma Lopez and her children Yaresi and Jose, Consuelo Gonzales and her children David, Diana and Denise, and Ahira Rodriguez. Also, we visit to encourage, exhorting and teaching some others members every week. So, you can imagine how busy we are.

Also, Rolando and I have been teaching to the youth people of the church about **“The book of Ecclesiastes”**. We do this work two time of every month. Thanks to the Lord, we have several youth brethren.

Work in some others local churches:

I had the opportunity to encourage, exhorting and teaching some others Christian in others local churches. They are: the church in “La Cantu church” they do not have a fulltime preacher; “Escobedo church” brother Jesus Alvarez is the local preacher here, and they are almost 20 members; “Santa Catarina church” they do not have a full time preacher and they are almost 20 members too. We can see the need between these churches because they have not had a constantly teaching of the word of God about mercy, justice, patient, compassion, kindness and brotherly love. Do you remember what the Mater says in Mt. 23:23? Well, that’s what I say.

Concerning my written:

Now, I will be giving to you information about my work writing books:

- Several brethren have encouraged me to dedicate time to write books and articles about several topics of the Bible. I am still working about the themes: **“Benevolence to the saints”** Also, I began to work about **“Men of the church”, “A book of study of the Gospel of John”; “A book of study of the letter of the Ephesians”**
- Let me tell you that, there are very few Hispanic preachers to write Biblical books and articles. For this reason, I began to work in this matter and help to Hispanic churches. I feel so encourage because your love and support allow me the time to dedicate diligently in this worthy work. Also, you know that the preachers need take time to study the Bible to make present good lessons. Well, I spent enough time to read mediate and study the Word of God (**I Tim. 4:6-16**). Thank you brethren for give the opportunity to dedicate time to study the Word of God and by this way to serve the brethren teaching, encourage and exhorting them.

Familiar:

I let you know that, the pregnant of Susy is going well. We went to her doctor, and she told us the baby is growing well until now. My child Ana Sofia has been fine. And about me, I have been feeling better than the past month. However, we are looking for a doctor to have an appointment to him and tell him my frequently stomach illness. Please, keep us in yours prayers.

Final words:

My beloved brethren, my wife and I want to tell you that we always give our thankful to the Lord for your love, sincere concern and support. How you know, this support makes possible to do this worthy work in this country and in some others places around the world. We are so rejoice because we can count with you. Thank you so much and our Lord bless your soul.

We love you in Christ;
Luis, Susy and Ana Barros.
